Our Church, the Body of Jesus
given us by the Father.
All of us reborn in the Spirit
submit to his breath and power.
What was old is gone now
Jesus has saved the world.
We're no longer left alone
we've got the Church, our home.

*Yours is the Living Church,
invincible she lasts,
led by the Spirit's light
to proclaim the salvation time.
Jesus, I hear your voice
inviting me with love
to dwell forever in your home,
the Living Church of yours.*

Our Church, God's Living Temple
where in faith we are gathered.
Sacramental grace is given
to all who want to reach heaven.
The source and summit
of true Christian life
is the Holy Eucharist,
the Body and Blood of Christ.

Our Church, the loving Mother
giving life to her children
keeps inviting us to follow Jesus,
who's the new Adam.
All united in God's love,
we create a close bond.
Set us free, Lord, and we'll become
the Living Church of yours.

*Mary Immaculate,
Mater Ecclesiae
grant that the Living Church
becomes alive in me.*
